Figure 1: Department-of-Plastic-Surgery-Administration-Suite

Located at Bellevue Hospital since 2009, the Department of Plastic Surgery Administrative Suite occupies a wing of the historic “A Building” at Bellevue Hospital. Central offices for the Chair and Administrator of the Department, as well as the Bellevue Hospital Service Chief and surgeons with their support staff, provide a central location for all of the administrative functions of the Department. There is also a multimedia conference room for committee and other meetings.
